Commentaires et notes de dégustation

Millésime 2016

 	<p>WINE ADVOCATE - NEIL MARTIN</p>	<p>April 2017 :  / </p> <p>The 2016 Patris from proprietor Michel Querre has a well defined, clean and pure bouquet with cassis and blueberry scents, modern in style but nicely controlled. The palate is medium-bodied with quite firm tannin on the entry. Moderate depth with a gentle but insistent grip on the finish, this Saint Emilion bodes well for the future, but will likely need some bottle age.</p>
	<p>BETTANE DESSEAUVE</p>	<p>Mai 2017 : </p> <p>L'élégance joue sur des tannins qui déroulent une aromatique florale et épicée avec une belle intensité de sève.</p>
 	<p>VINOUS - ANTONIO GALLONI</p>	<p>April 2017 :  / </p> <p>The 2016 Patris Querre is super-promising. Pliant, supple and creamy, with fabulous depth, it offers striking richness and intensity. Soft tannins and a huge core of plush, super-ripe fruit are two of the signatures. Blueberry jam, crème de cassis, lavender, mint and white flowers grow into the succulent finish. The 2016 is bold and immediate, but also very nicely done.</p>

Shows walnut, tar and darkberry character. Medium body, chewy tannins and a savory finish. Definitely some potential.
